Promising an experience on par with the best five-star resorts in Turkey, Regnum Carya provides its guests with the opportunity to swim outdoors during both summer and winter months, enjoy a holiday full of sports, relish the excellent scenery of the Mediterranean and old pine forests, and taste the most special delicacies of the world cuisine with ten different fine dining a la carte restaurants and a buffet restaurant.

In addition, golf enthusiasts are invited to play golf at two different courses. You should try Carya Golf Club, Turkey's first and only floodlit golf course with 18 holes which allows nighttime golf, and the National Golf Club with 27 holes. With three football grounds designed in accordance with the FIFA standards, Regnum Carya also provides various opportunities also for training camps for professional football teams.

At our luxury resort, where we hosted the G-20 World Summit in November 2015, there is a first-class 7500 square-meter convention centre with a private entrance, a 2100 square-meter column free ballroom and 13 meeting halls which receive natural light. Regnum Carya is the first golf hotel awarded with the LEED Gold Certificate of Europe.
